All entrants present during the posted times will be allowed to run as long as conditions are deemed safe.

Roll Call (Inspection) and Run Order

FOR THESE EVENTS WE WILL BE HOLDING A "ROLLING ROLL CALL"

Inspection begins 15 minutes before your scheduled Time Block. We inspect the dogs as they arrive at the field. You will receive a Run Ticket when you arrive at the field. Take your Run Ticket to the Roll Call area. Dogs must be checked in and inspected prior to **EACH** run. Inspection will check for general fitness and for females in season. Females in season and lame dogs are not permitted to run. Handicaps will be verified at inspection.

Once your dog has passed inspection, bring your Run Ticket to the Paddock Master Table. You will then be put in the run order. If you have a catcher or a releaser, make sure they are in the correct area at LEAST three dogs ahead. This really helps to keep things moving!

If you have a 2nd run in the same Time Block you must come back and pick up your Run 2 ticket, be re-inspected and be put on the run order list. If you have a 2nd run in another Time Block – please come back then.

We will do our best to work around conflicts.

Time Blocks

We will be using the "block schedule" running order. A link for YOU to pick your time block will be emailed to you shortly after closing.

Concurrent Run Scheduling

We run events CONCURRENTLY. This means you can schedule your runs in the same Time Block (if there is room), different Time Blocks but in the morning, both runs in the afternoon or a run in the morning and a run in the afternoon. The choice is yours., **Anyone who does not have a Time Block prior to the event will be assigned one at the field..**

Electronic sign-up

We are using SignUp Genius to schedule runs. A link will be emailed to you AFTER entries close.

- 1) Make sure you only sign up for the number of runs per day that you entered!
- 2) There are FOUR (4) Tabs. One for each day. You need to make sure you click on EACH tab for the days you entered and sign up for a time slot 3) We are limiting the number of people at the field at one time.
- 4) We are running CONCURRENT events. What this means is that you can run, rest your dog and then run again within the same time block (you would sign up for 2 runs per dog)
- 5) Make sure you go to the BOTTOM of each days page when you are done and SUBMIT
- 6) There are some time slots already filled - those would be the wonderful volunteers that are there to help make sure we all have a good time and do it safely.
- 7) If you have any questions about getting your dog signed up - email us speeddogcoursing@gmail.com
- 8) When a block is full, runs cannot be added.

9) This is for those of you who PRE-entered and paid. This is not for Fun Runs or those people that are doing day of entries.

10) Pre-Entered dogs without a Time Block, On site entries and Fun Runs will all be assigned a Time Block at the field.

- Exhibitors should follow their veterinarian’s recommendation to assure their dogs are free of parasites, any communicable diseases and have appropriate vaccinations.
- The Huntmaster is responsible for field safety and therefore he/she is in complete charge of all dogs and handlers on the field. In service to this responsibility, he/she has the authority to stop the lure in any potentially dangerous situation and signal the handler to retrieve a testing dog.

Conditions of Entry Continued – Read Carefully

- Any decisions made by the event’s officiating judge(s) regarding the performance of an entered dog shall be final. Full discretionary power is given to the judge(s) to withhold any and all qualifications for lack of merit. The Judge(s) is responsible for ensuring compliance with the AKC Regulations on the field.
- No entry fees will be refunded if the event cannot be started or completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, an act of God, public emergency, act of a public enemy, strikes or any other cause beyond the control of the Club or its members and representatives.

- All rights to televise, videotape, advertise, photograph, promote or otherwise exploit this event are vested in the club, or in persons to whom assignments of such rights have been made in writing by the club. All persons and animals attending these shows grant the club the right to use their likeness and voice in any matter without further consent.

Official Fast CAT Photographer

ML Baer Photography is the official photographer for these events. No other photographer will be allowed to photograph dogs/people without the express consent of ML Baer Photography and the Trial Chairman. Anyone caught photographing these events, or any portion thereof, without permission will be asked to leave the field. An AKC Event Committee hearing may also be called if unsportsmanlike behavior is evident.

Photographs may be purchased by contacting ML Baer Photography
mark@mlbaer.com

- A penalty of \$5.00 will be assessed for any and each loose dog(s) not completing in the course in progress.

CATCH YOUR DOG AT THE COMPLETION OF THE RUN!!

EQUIPMENT and CREW

Lure Equipment: Speed Dog runs all their CATs utilizing a continuous loop system. Speed Dog uses and endorses the SwiftPaws system for their record in safety and reliability. The lure or “bunny” consist of white plastic bags. Additionally, a squawker is sometimes used – if track conditions allow. The lure is attached to string that is set in a continuous loop and the string is pulled/pushed by an electric motor (SwiftPaws), Speed Dog also uses Injoy and the Bobinator

Field Conditions. The field is fairly level. The surface is grass that is mowed short. The courses are posted at the end of the Premium. The field is fully fenced with mesh fencing. Mounted entry and exit gates are also part of the track.

Hunt Master Is not just someone standing at the Start line twirling their arm, they are an integral part of the overall safety of the dog and human. They are in complete charge of all hounds and handlers on the field. They are responsible for calling the next dog/handler onto the course. They are responsible for making sure the correct dog is on the start line. They are responsible for checking collars. The Huntmaster explains the release and, if necessary, the retrieval before the dog is released. They are responsible for making sure the lure is in position and traveling in the correct direction before calling the dog/handler onto the course. The handler should communicate to the Huntmaster any special needs the dog may have (Fast, slow, old, new). The Huntmaster will communicate any needs to the Lure Operator. The Huntmaster shall question the Lure Operator, Timer and handlers asking “Are you ready?” After affirmative answers from all parties, the Huntmaster will begin the course. Provides a hand signal to the Lure Operator to start the lure. Gives the verbal signal “Tallyho” to release the dog from a standing start. The dog should not be slipped before the sound of the “T” in “Tallyho.” Will notify the Lure Operator, Timer and Handler of any issue with the release or the course that results in a rerun or a non-qualifying score. The Huntmaster shall stop the lure in the event of a safety issue with the course or the dog.

Lure Operator: The Lure Operator is responsible for communicating to the Trail Chair, any concerns regarding the track layout. They are responsible for operating the lure in a safe manner for all breeds. The Lure Operator will make a test run beforehand. The Lure Operator will receive communication from the Huntmaster regarding any special needs a particular dog may have (fast, slow, old, new, etc). The Lure Operator will do all they can to get the best time for your dog. The Lure Operator will not move the lure at the end until the dog is leashed and off the course. For the utmost safety, the Lure Operator will position themselves so that they have a view of the entire course and will watch the dog the entire way until the dog is leashed and off the course. The Lure Operator will stop the lure on a signal from the Huntmaster, but shall automatically stop the lure any time a dog becomes entangled in the string or when a potentially dangerous situation may develop

Queing Up After dogs have been roll called and put in a run order, we will line them up about 6 at a time. Dogs not present for their Time Block will be added to the next available Time Block – with the exception of conflicts. Conflicts will be handled on a case-by-case basis at the field. We strive to keep the track running smoothly with as few delays as possible. For more information see the section on Time Blocks

SAFETY

Safety is the focus of the Speed Dog Crew. We work with the host club to ensure the safety of the course. We pride ourselves on the conduct of the crew to help maintain an atmosphere of helpfulness, fun and friendship, all while helping to ensure both human and dog are as safe as possible. We make sure regulations are followed to make the event not only safe, but fair. We run a test dog prior to the start of the event and each time we have to change Lure Operators. Prior to moving the lure to position for the start, the lure operator will announce “hold your dogs” to caution owners and the Huntmaster will caution handlers to be careful of the line.
