EQUIPMENT and CREW

Lure Equipment: Speed Dog runs all their Fast CATs utilizing a continuous loop system. Speed Dog uses and endorses the SwiftPaws system for their record in safety and reliability. The lure or “bunny” consist of white plastic bags. Additionally, a squawker is sometimes used – if track conditions allow. The lure is attached to string that is set in a continuous loop and the string is pulled/pushed by an electric motor (SwiftPaws),

Timing Devices: Speed Dog uses and endorses Farm Tek electronic timing devices. At most events we have a redundancy system set up to help reduce timing issues and reruns.

Field Conditions. The field is fairly level. The surface is grass that is mowed short. The track is approximately 460' long and is fully fenced with mesh fencing. Mounted entry and exit gates are also part of the track. Handlers may walk the course to the catch area **BEFORE** their dog is released.

Hunt Master Is not just someone standing at the Start line twirling their arm, they are an integral part of the overall safety of the dog and human. They are in complete charge of all hounds and handlers on the field. They are responsible for calling the next dog/handler onto the course. They are responsible for making sure the correct dog is on the start line. They are responsible for checking collars. The Huntmaster explains the release and, if necessary, the retrieval before the dog is released. They are responsible for making sure the lure is in position and traveling in the correct direction before calling the dog/handler onto the course. The handler should communicate to the Huntmaster any special needs the dog may have (Fast, slow, old, new). The Huntmaster will communicate any needs to the Lure Operator. The Huntmaster shall question the Lure Operator, Timer and handlers asking “Are you ready?” After affirmative answers from all parties, the Huntmaster will begin the course. Provides a hand signal to the Lure Operator to start the lure. Gives the verbal signal “Tallyho” to release the dog from a standing start. The dog should not be slipped before the sound of the “T” in “Tallyho.” Will notify the Lure Operator, Timer and Handler of any issue with the release or the course that results in a rerun or a non-qualifying score. The Huntmaster shall stop the lure in the event of a safety issue with the course or the dog.

Lure Operator: The Lure Operator is responsible for communicating to the Trail Chair, any concerns regarding the track layout. They are responsible for operating the lure in a safe manner for all breeds. The Lure Operator will make a test run beforehand. The Lure Operator will receive communication from the Huntmaster regarding any special needs a particular dog may have (fast, slow, old, new, etc). The Lure Operator will do all they can to get the best time for your dog. The Lure Operator will not move the lure at the end until the dog is leashed and off the course. For the utmost safety, the Lure Operator will position themselves so that they have a view of the entire course and will watch the dog the entire way until the dog is leashed and off the course. The Lure Operator will stop the lure on a signal from the Huntmaster, but shall automatically stop the lure any time a dog becomes entangled in the string or when a potentially dangerous situation may develop

Queing Up After dogs have been roll called and put in a run order, we will line them up about 6 at a time. Anyone that does not have a catcher or a releaser in place and ready could be moved back in the order. Dogs not present for their Time Block will be added to the next available Time Block – with the exception of conflicts. Conflicts will be handled on a case-by-case basis at the field. We strive to keep the track running smoothly with as few delays as possible. For more information see the section on Time Blocks

SAFETY

Safety is the focus of the Speed Dog Crew. We work with the host club to ensure the safety of the course. We pride ourselves on the conduct of the crew to help maintain an atmosphere of helpfulness, fun and friendship, all while helping to ensure both human and dog are as safe as possible. We make sure regulations are followed to make the event not only safe, but fair. We run a test dog prior to the start of the event and each time we have to change Lure Operators. Prior to moving the lure to position for the start, the lure operator will announce “hold your dogs” to caution owners and the Huntmaster will caution handlers to be careful of the line.

FIELD CONDITIONS

FIELD

The Fast CAT Track will be fully fenced with mesh fencing and will have gates at the entrance and exit. The track is fairly flat and mowed short.

Electronic Timers will be used to record run times

Roll Call (Inspection) and Run Order

FOR THESE EVENTS WE WILL BE HOLDING A “ROLLING ROLL CALL”

Inspection begins 15 minutes before your scheduled Time Block. We inspect the dogs as they arrive at the field. You will receive a Run Ticket when you arrive at the field. Take your Run Ticket to the Roll Call area. Dogs must be checked in and inspected prior to **EACH** run. Inspection will check for general fitness and for females in season. Females in season and lame dogs are not permitted to run. Handicaps will be verified at inspection.

Once your dog has passed inspection, bring your Run Ticket to the Paddock Master Table. You will then be put in the run order. If you have a catcher or a releaser, make sure they are in the correct area at LEAST three dogs ahead. This really helps to keep things moving!

If you have a 2nd run in the same Time Block you must come back and pick up your Run 2 ticket, be re-inspected and be put on the run order list. If you have a 2nd run in another Time Block – please come back then.

NEW

NEW TIME BLOCK SIGN UP INFO

We will be using the “block schedule” running order. A link for YOU to pick your time block is provided at the end of the online entry form. If you do not sign up online, a link will be emailed to you when your entry is received.

Concurrent Run Scheduling

We run events CONCURRENTLY. This means you can schedule your runs in the same Time Block (if there is room), different Time Blocks both in the morning, both runs in the afternoon or a run in the morning and a run in the afternoon. The choice is yours., Anyone who does not have a Time Block prior to the event will be assigned one at the field.

Electronic sign-up

We are using SignUp Genius to schedule runs. A link for YOU to pick your time block is provided at the end of the online entry form. If you do not sign up online, a link will be emailed to you when your entry is received.

- 1) Make sure you only sign up for the days you entered and the number of runs per day that you entered!
- 2) There is ONE Sign Up Form divided by days and Time Blocks. You need to make sure you click on EACH day you entered and sign up for a time slot
- 3) We are limiting the number of people at the field at one time. Which will also reduce your wait time.
- 4) We are running CONCURRENT events. What this means is that you can run and then run again within the same time block (you would sign up for 2 runs per dog). This is assuming there is space in the Time Block for the 2nd runs. If space is not available, you will need to sign up for another time block for your 2nd run.
- 5) Make sure you go to the BOTTOM of the form when you are done and SUBMIT
- 6) Our wonderful volunteers will run first so that they can be there to help make sure we all have a good time and do it safely.
- 7) If you do not know what Time Block you want when you enter, you will receive an entry confirmation email. The email will include the Sign-Up link for you to access at a later date. PLEASE DO NOT SHARE THIS LINK
- 8) If you have any questions about getting your dog signed up - email us speeddogcoursing@gmail.com
- 9) When a block is full, runs cannot be added.
- 10) This information is for those of you who are PRE-entered and paid. This is NOT for Fun Runs or On-Site entries.
- 11) The Time Block Sign Up is ONLY for people that have entered and paid for runs. Those that Sign Up for Time Blocks without entering first, will have their Time Block Sign Ups deleted.
- 12) Pre-Entered dogs without a Time Block, On Site Entries and Fun Runs will all be assigned a Time Block at the field. Be aware that most of the time all the morning time blocks are filled before the events begin. In other words, do NOT expect to walk up and run!
