- All exhibitors must read and abide by the regulations of their hotel/motel accommodations.
- All motels accepting dogs require plastic under crates. Plastic sheeting is to be placed under every crate in motel rooms. This will keep carpets clean & dry. It will be the responsibility of each exhibitor to provide his/her own plastic sheeting for each crate.
- Dogs must be crated when owner is out of the room. NO EXCEPTIONS!
- Dogs must be kept on a leash at all times while in the hotel, lobbies or on hotel grounds. Rooms & lobby must be kept clean of dog debris.
- Dogs should be “exercised” in designated areas on motel premises. Every dog owner/handler is expected to pick up after his/her dog & dispose of waste in designated trash cans. It is the responsibility of the dog owner to find out from the hotel management where these areas & where waste cans are located.

COVID PROTOCOL

All competitors entering the Fast CAT tests must comply with CDC guidelines regarding COVID-19 to ensure the safest environment for all attendees. Those measures include social distancing, wearing a mask, and frequent hand washing. Each exhibitor is responsible for providing their own masks; the club will not provide them. Only three dogs will be near the start area at any given time: the dog running the course and two waiting in the “blind”. Competitors **MUST** wear a mask when in the waiting area, entering the course, and releasing/catching their dog, and having their dog inspected. Any exhibitor who refuses to comply with this protocol will be asked to leave, with no refund given. Crating from your car is recommended. There is ample parking space near the coursing field and there is some shade. Please maintain social distancing when away from the course.

A signed COVID 19 waiver will be required to run at these tests. Waiver will be available at the test site and must be signed at check in.

Scheduling of Runs / Concurrent Procedures / Note to Handlers:

AKC is strongly recommending that all Fast CAT events be scheduled to avoid crowds at the event site because of the Covid-19 virus. In response to that recommendation, we will be sending a link AFTER entries close for you to pick time blocks for your runs. Running your dog in the same Time Block is encouraged (if your dog is physically able to do that and if there is space in the Time Block).

Once you finish your first run you **MUST** go back to the Trial Secretary's table, pick up your second run ticket, get inspected again (dogs go lame and bitches do come in season in between runs!). Once you have done these things head over to the Paddock Master so that you can be put on the run order.

We will do our best to work with conflicts.

Once all your runs are completed you are free to leave or stay and volunteer (yes please!)

If you choose to stay, the rules for “social distancing” will apply in the fenced-in run area and the parking lot.

If you are not sure where to go or what to do - please ask us! We are happy to help.

FAST CAT

The FAST CAT is a timed straight race of 100 yards where a dog chases a lure. Dogs are run singularly and earn points based on their handicapped speed. There are no placements. Titles are issued at designated benchmarks. The dog's time to complete the 100 yard dash is converted into MPH. Dogs earn points based on their handicapped speed. A handicap system is applied to a dog's MPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers:

- 18" or greater = handicap is 1.0
- 12" up to less than 18" = handicap is 1.5
- Below 12" = handicap is 2.0

$204.545 / \text{time} = \text{MPH}$

Example: The dog's time is 8.14 seconds.

$204.545 / 8.14 = 25.13 \text{ MPH}$

Points = MPH multiplied by the dog's handicap

Titles are earned by accumulating points. The following titles will be awarded:

BCAT = 150 points

DCAT = 500 points

FCAT = 1,000 points

FCAT# = every additional 500 points.

Top 20 by Breed by Year: The AKC Fast CAT website will feature the Top 20 Fastest Dogs by Breed by Year national standings. The standings will be updated as event results are processed.

Fast CAT is open to all dogs 12 months of age or older that are individually registered/ listed with the AKC registration as purebreds, Foundation Stock Service (FSS) dogs, Purebred Alternative Listing (PAL) dogs and AKC Canine Partner Program.

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection Committee has the authority to disallow a dog's entry into a test, and in such instances, applicable entry fees will be refunded.

Entries will be acknowledged by E-MAIL IF **legible e-mail address is provided.**

ALL DOGS RUN AT OWNER'S SOLE RISK

- Each dog requires an individual entry form.
- Entries will not be accepted without fees, signatures, or the "Agreement" found on the Official AKC Entry Form.
- Bitches in season and lame dogs will be excused. Entries will be refunded
- Mixed breeds must be spayed or neutered to be eligible to run. AKC registered dogs with breed disqualifications may be entered.
- Coursing is an athletic activity that can tax a dog's physical strength.
- Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection Committee has the authority to disallow a dog's entry into

a test, and in such instances, applicable entry fees will be refunded

• **A \$5.00 fine will be assessed for any loose dog on the field that is not competing in the course in progress.**

• **Battery powered, continuous loop equipment will be used. Lures consist of white plastic.**

Light Curtain times will be used. Stop watches will be available as back up timers

- Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of parasites, any communicable diseases and have appropriate vaccinations.
- The Huntmaster is responsible for field safety and therefore he/she is in complete charge of all dogs and handlers on the field. In service to this responsibility, he/she has the authority to stop the lure in any potentially dangerous situation and signal the handler to retrieve a testing dog.
- Persons that exhibit conduct detrimental to the AKC/any dog(s)/other person(s) will be asked to leave the trial site.
- Bring your own shade and water.
- No entry fees will be refunded if the event cannot be started or completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, an act of God, public emergency, act of a public enemy, strikes or any other cause beyond the control of the Club or its members and representatives.

TIPS FOR HANDLERS

- The field is fenced. However, it is strongly recommended that prior to running your dog, you have good "recall" control over your dog, as the dogs will be off leash.
- Handlers should wear comfortable shoes and be physically able to hold and release their dogs, as well as catch them.
- Dogs will be brought to the start line on leash and released only upon a verbal signal ("Tally-Ho!") from the Huntmaster. Dogs may be released by hand, folded leash or using a traditional lure coursing slip lead.
- **Handler should have someone familiar with the dog at the end of the course to retrieve the dog or have someone else release their dog at the start line. The handler is expected to promptly secure the dog and leave the field with the dog on leash.**

Handlers are allowed to recall their dogs

- Lure coursing is a physically demanding sport so please make sure your dog is in good shape. If you are not sure, make an appointment with a veterinarian to get an opinion.
- Handlers are advised to warm up their dogs prior to their run and walk them for about 10 minutes afterwards.
- Any person, upon reasonable complaint, may be asked to leave the grounds of the test by the Field Committee and may be disciplined by the AKC. Children must be under control of their parents or guardian(s) at all times.

Show Me Agility Club of Central MO, Speed Dog Coursing, LLC, Members, Directors, Agents, Superintendents & Employees are not Responsible for Loss or Damage to, or Death of Any Dogs at these events or for the Possessions of Any Participant, whether the result of an accident or any other cause.
